Delhi, India, International Non-Olympic University –INOUE has been selected to receive the World Quality Commitment (WQC) Category "Gold" Award in Paris, France, on Sunday, October 25th, 2015. The decision to present this award is the result of research and analysis carried out through Quality Hunters, leaders, entrepreneurs and experts in quality, directed by Business Initiative Directions (BID), to recognize the contribution of INOUE in terms of Leadership, Quality and Excellence. Previous Winners : 1- **Tata** (289,500 employees, \$66.26 billion company [click](#), 2-**Reliance** (US\$ 81 billion Company) [click](#) and 3- **Indian Oil** (32,000 workers \$51 billion Company) [click](#) now INOUE got this award in 2 years of establishment zero US Billions Organization. Prof. Mohammed Seraj ANSARI is Founder & Rector of INOUE.

**Selection criteria for the World Quality Commitment:**

The world Quality Commitment (WQC) is presented to each recipient as an entry, for corporate achievement, to recognised leadership, quality, innovation, excellence, technology, customer service and prestige; for this purpose a voting process was carried out during the Business Initiative Directions World Congress with meeting in Paris, London, Geneva, Frankfurt, Madrid, and New York, over the past ten months, based on one or several of the following concepts:

The QC100 principles, Customer Satisfaction, Leadership, Technology, Best Practice, Business Results, ISO 9001 and TQM.

In addition to the voting process, carried out through personal encounters with the business leaders, by mail and online macro polls, Business Initiative Directions gathers information through media consultants (press, and television), consultancy companies, advertising agencies, trade fairs and exhibitions, chambers of commerce, embassies and polls, which is analyzed by the World Quality Commitment (WQC) Selection Committee, which makes the final decision to select the annual awardees.
